## MAGIC CARPETS

The city's design aficionados and interiors experts were out in full force for the UAE opening of the Beirut-based Iwan Maktabi boutique at The Dubai Mall. The Maktabi family themselves were joined by Design Days Dubai Fair Director Cyril Zammit who was delighted to co-host the invite-only party which saw contemporary rug artist Jan Kath make it a point to personally present intricate pieces from his Erased Heritage, Erased Classics, Radi Deluxe and Lost Weave collections at the stylish haunt which showcases customizable carpets and one-off rugs.
